

ENROLLMENT OF HIGH SCHOOL STUDENTS AT PVCC

ANNUAL REPORT 2017-18

OVERVIEW

Each semester, hundreds of high school students enroll in credit courses at Piedmont Virginia Community College (PVCC). The majority of these students are dual-enrolled in face-to-face classes at their high schools, receiving both high school and college credit for classes completed. There are also many public, private high school, and home-schooled students¹ in the PVCC service region whom take PVCC classes online and/or coming to campus to take college classes. Overall, 2,146 high school students accounted for 6,117 enrollments and 18,242 total credits in academic year 2017-18. The table below summarizes the academic year 2017-18 enrollment of high school students at PVCC.

VIRTUAL/ON-LINE CLASSES

An additional 202 public, private, or homeschool students enrolled in PVCC classes online, generating 848 total credits. Some high schools provide proctored class time for students to take PVCC courses online.

CLASSES ON A PVCC CAMPUS

167 high school students took PVCC classes on a PVCC campus (i.e., at the main campus, the Jefferson City Center campus or the Giuseppe Center campus). This activity generated 1,558 total credits.

COMMUNITY BENEFIT

Due to the relationship that PVCC and surrounding public and private high schools have, students saved \$2,843,927⁶ by taking courses as dual enrollment.

EARLY COLLEGE EXPERIENCE

The Early College Experience provides high school students the opportunity to graduate with an associate's degree by the time they complete high school. For academic year 2017-18, there were 113 students enrolled as a part of this initiative. This academic year, Charlottesville High School, Fluvanna County High School, Louisa County High School, Nelson County High School, Western Albemarle and William Monroe High School had students enrolled through this program.
